

# BODY THERAPY AND NAIL TECHNICIAN FUSION COURSE

## Course Overview

Welcome to our Body Therapy and Nail Technician Fusion Course! This intensive 10-week program is designed to provide aspiring body therapists and nail technicians with a strong foundation in body therapy techniques and nail technical skills. From the basics to advanced treatments, this course will equip you with the necessary knowledge and hands-on training to excel in these fields. Throughout the course, you will have practical training sessions, theoretical lessons, and hands-on workshops to practice and refine your skills. Experienced instructors will provide guidance and feedback to help you excel in body therapy and nail technician techniques. By the end of the course, you will be equipped with the foundational knowledge and practical skills needed to provide professional body therapy treatments and offer a range of nail services.
