

# PEDICURIST COURSE

## Course Overview

Elevate your pedicure skills with our Pedicurist Specialist Program! Designed for experienced pedicurists, this 4-week course focuses on professional ethics, hygiene, client consultation and advanced pedicure techniques. Discover specialized treatments, and effective client management strategies. Learn the art of providing exceptional pedicure services while upholding high ethical standards and prioritizing client satisfaction. Join us and take your pedicure expertise to new heights in just 4 weeks!

## Learning Focus

- ★ Advanced pedicure techniques: Master the art of nail trimming, shaping, cuticle care, and callus removal.
- ★ Specialized treatments: Explore various foot and leg massage techniques and learn specialized treatments like paraffin wax treatments and exfoliating foot masks.
- ★ Professional ethics: Understand the importance of maintaining client confidentiality, trust, and ethical standards in the pedicurist profession.
- ★ Hygiene practices: Learn essential hygiene and sanitation practices to ensure a clean and safe environment for both the pedicurist and clients.
- ★ Client consultation: Develop effective communication skills to conduct thorough client consultations, understand their needs, and provide appropriate recommendations.
- ★ Client care and professionalism: Learn strategies for building positive client relationships, addressing concerns, and providing personalized foot care advice.
