

CLASSIC AND ADVANCE HAIR COLOR TECHNIQUE

Course Overview

This intensive 2-week course provides a comprehensive introduction to classic and advanced hair color techniques. Students will learn the fundamentals like professional ethics, client communication, hair color theory, product knowledge, and safety procedures. The course covers classic techniques such as full-head color, root touch-ups, and gray coverage, while also delving into advanced techniques including highlights, lowlights, balayage, ombre, and creative color effects. Corrective color and color correction methods are explored, along with specialized color techniques for different skin tones and hair types. Students will also gain knowledge in color maintenance and aftercare, ensuring long-lasting and vibrant results for clients. Through hands-on practice and guidance, students will refine their skills and have the opportunity to ask questions for finalizing their expertise in classic and advanced hair color techniques.
